

Boston March 30. 1847 -

Dear Miss Weston,

Will you allow me to correspond with Mr Pierce through you, so far as to transmit an order for certain trees. I am induced to do this, both from an uncertainty as to Mr Pierce's Christian name & from a hint as to the infrequency of his visits to the post office. I am exceedingly obliged to you for the note which I received a few days since.

Very truly

W. F. Channing,
